CERTIFICATE OF COMPLETION

Finance, Accounting and Taxation (FACT) - Major

in the

Master Program in Business Administration (M. Sc.)

This is to certify that Ms. Exemplara Muster, born on 01/01/2000 in Mittelpunkt, has completed the requirements for the major Finance, Accounting, Taxation (FACT) in the Master Program in Business Administration at the University of Bayreuth.

This major provides a research- and application-oriented academic education with focus on all relevant business disciplines covering the financial sphere of the firm. Based on an inter- and multidisciplinary teaching approach, Ms. Exemplara Muster learned to handle sophisticated scientific methods and insights in diverse types of courses (lecture, exercise, seminar, case study, business games, and Master thesis). Ms. Exemplara Muster also benefited from an intensive contact with numerous business partners. The following topics were covered in particular:

- Financial accounting according to national and international standards
- Internationalization of capital markets and capital market oriented financial reporting
- Business taxation and financial decisions as well as the development of tax rules
- Decision-facilitating and decision-influencing role of management accounting
- Corporate finance and financial risk management
- Auditing and empirical auditing and financial accounting research.

Students have been taught to accept challenging responsibilities in the area of finance, accounting and taxation as well as firm management and consulting.

The modules of this major are offered by the the Chairs of Finance and Banking (Prof. Dr. Klaus Schäfer), Business Taxation (Prof. Dr. Sebastian Schanz), International Accounting (Prof. Dr. Rolf Uwe Fülbier), Management Accounting (Prof. Dr. Thorsten Knauer) and the Junior Professorship of Auditing (Prof. Dr. Thomas Loy). The modules attended and the grades achieved appear on the transcript.
